

## **IN THE SPECIFICATION**

Please cancel the entire specification of the application, as filed, including the "Bezugszeichenliste," as constituted by the German language text of PCT/DE03/003528, published as WO 2004/039589 in favor of the concurrently submitted Substitute Specification. A verified English language translation of the German language text of PCT/DE03/003528 is being filed concurrently, in a Response to Notification of Missing Requirements Under 35 USC 371. The accompanying Substitute Specification is the result of the entry into the verified translation of a cross-reference to related applications and of suitable section headings; the deletion of the List of Reference Symbols and of references to the claims, the correction of minor errors in phrasing, grammar and punctuation and a general revision of the verified translation, to place the Substitute Specification more in a form in accordance with U.S. practice. These various changes and corrections do not constitute any new matter. A marked-up copy of the verified translation, which sets forth the changes made thereto, to arrive at the Substitute Specification, is enclosed for the Examiner's review.
